CEREMONIAL BIG GAME
HUNTING REGULATION # 2024-25
Hunting Year (HY) 09/01/2024 – 08/31/2025
Effective 09-01-2024**

AUTHORITY This regulation is issued pursuant to Paragraph 10.17.090, Hunting Regulations of the Lummi Code of Laws, Title 10. Violation of this regulation constitutes a violation of Title 10 Ordinance of the Lummi Code of Laws, and is punishable under Chapter 10.06.070, and Chapter 10.17. **Hunters must comply with all requirements of Title 10 and this regulation.**

GENERAL CLOSURE The Lummi Reservation and all other areas within the territory under the Lummi Nation's hunting jurisdiction are closed to the hunting of big game animals unless those areas are specifically opened by regulation. Areas opened by regulation are only open to hunting of big game in accordance with Title 10 of the Lummi Code of Laws, and all applicable regulations. Any animals found to have been taken in violation of this regulation are subject to confiscation from, and forfeiture by, the hunter.

PERMIT / IDENTIFICATION All persons hunting under the authority of the Lummi Nation must comply with Title 10 of the Lummi Code of Laws. The following are authorized to issue and validate permits: 1) Lummi Fisheries and Natural Resources Commission Officers, 2) Director of Natural Resources, 3) Deputy Director of Natural Resources, 4) Natural Resources Administrative Assistant, 5) Wildlife Program Manager and 6) Wildlife Technician. Permits shall be issued when there is a ceremonial need in the community.

BAG LIMITS The permit is limited to a maximum of four (4) deer **or** one (1) elk and one (1) deer. Permits shall be good for two days hunting only. The hunting days shall be specified in the permit, but if no days are specified, the permit shall expire one hour after sunset two days after the date the permit is issued.

GAME TAGS A Lummi tribal ceremonial tag is required for hunting under this regulation. Tags are obtained from the Natural Resources Department and each tag consists of two parts: the carcass tag and the reporting form tag. They are issued as a joined pair and are required for hunting deer, elk, or mountain goat* under this regulation.

TAGS/HARVEST REPORTS TO BE RETURNED Successful hunters must immediately remove from the carcass tag the designated notches corresponding to the

month and day of the kill. Reporting form tags, with the harvest report filled in by the hunter, and the date of the kill notched out must be returned to the Natural Resources Department main office before another tag will be issued. All tag reports, whether an animal was bagged or not, must be returned within 1 weekday of the expiration date of the hunt. Failure to return tags is subject to a fine of not less than \$100 and will jeopardize the ability of the permittee to obtain ceremonial tags in the future. A permittee who loses a tag will be relieved of a monetary penalty if they timely file an affidavit of tag loss, including a harvest report, within 1 weekday of the expiration date of the hunt. Failure to report a lost tag in a timely manner will result in withholding further issuance of tags to the permittee until all applicable fines are paid and affidavit(s) of lost tag(s), and harvest reports are filed. LNR Wildlife Program will accept photos of tags properly notched and the harvested animal as a harvest report. Send these to 360-410-1783 or EmilyCW@lummi-nsn.gov

TRANSPORTING BIG GAME A valid Lummi Tribal Ceremonial tag with the date of the kill notched out must be attached to the animal prior to and during transport. The head of the animal should accompany the carcass during transportation.

CARCASS DISPOSAL It is the responsibility of the hunter to ensure a harvested big game carcass is disposed of in a manner that is sanitary and out of view of the general public. If a tribal member needs assistance with proper carcass disposal, please contact the LNR Wildlife Program. Disposal should occur away from public roads, trails, and waterways.

HUNTERS UNDER AGE 18 Persons under the age of 12 may accompany a hunter but are not allowed to use a weapon of any kind. Persons 12 to 17 years of age must be accompanied by an adult 18 years or older while hunting. **All hunters under the age of 18 must provide proof of successful completion of an approved hunters / firearm safety course prior to obtaining a hunting permit or tags.**

Please contact Emily Wirtz at 360-410-1783 after harvest, so that the WP can send staff to collect samples for disease monitoring and surveillance. Also, if hoof deformities are noticed the WP would like to collect all 4 hooves for disease surveillance purposes. All parts the hunter would like to preserve for traditional/cultural purposes will be preserved.

It is the policy of the Lummi Indian Business Council to support Lummi tribal members in the pursuit of exercising their treaty rights and protecting the Lummi Sche Lang en'. The Lummi Natural Resources (LNR) Department works together with other Point Elliott Treaty Area tribes, federal, state, and local agencies, and private landowners to secure access to lands where tribal members can continue their traditional practices handed down from one generation to the next since time immemorial.

This policy covers the check-out and use of proprietary keys held by LIBC and LNR for short-term loan and use by eligible persons. Eligible persons include Lummi tribal members in good standing with LIBC and LIBC staff including LNR staff.
