

LUMMI NATION
REGULAR (SUBSISTENCE) Off-Reservation BIG GAME
HUNTING REGULATION # 2024-25
Hunting Year (HY) 09/01/2024 – 08/31/2025
Effective 09-01-2024

AUTHORITY This regulation is issued pursuant to Paragraph 10.17.090, Hunting Regulations of the Lummi Code of Laws, Title 10. Violation of this regulation constitutes a violation of Title 10 Ordinance of the Lummi Code of Laws, 10 is punishable under Chapter 10.06.070, and Chapter 10.17. **Hunters must comply with all requirements of Title 10 and this regulation.**

GENERAL CLOSURE The Lummi Reservation and all other areas within the territory under the Lummi Nation’s hunting jurisdiction are closed to the hunting of big game animals unless those areas are specifically opened by regulation. Areas opened by regulation are only open to hunting of big game in accordance with Title 10 of the Lummi Code of Laws, and all applicable regulations. Any animals found to have been taken in violation of this regulation are subject to confiscation from, and forfeiture by, the hunter.

PERMIT / IDENTIFICATION All persons hunting under the authority of the Lummi Nation must comply with Title 10 of the Lummi Code of Laws. The following are authorized to issue and validate permits: 1) Lummi Fisheries and Natural Resources Commission Officers, 2) Director of Natural Resources, 3) Deputy Director of Natural Resources, 4) Natural Resources Administrative Assistant, 5) Wildlife Program Manager, and 6) Wildlife Technician. Permits shall be issued to eligible members of the Lummi Nation upon payment of a non-refundable administrative fee of \$5.00. (This fee is waived for elder hunters). Permits and tags shall be valid from the first day of issue or the start of the hunting year, whichever is later, and, unless otherwise specified, shall expire one half hour after sunset on the last day of the season in the hunting year.

BAG LIMITS The permit is limited to a maximum one (1) elk and two (2) deer per Hunting Year. (1) Mountain goat would be permitted only under special request and conditions described below. All other game species are addressed in other regulations.

GAME TAGS / REPORTING FORMS A Lummi tribal subsistence tag is required for hunting under this regulation. Tags are obtained from the Natural Resources Department and must be validated at the time of purchase by an individual authorized in paragraph 3 of these regulations. Each tag consists of two parts: the carcass tag and the reporting form tag. They are issued as a joined pair and are required for hunting deer, elk or mountain goat under this regulation. Each hunter possessing a valid hunting permit will be allowed up to 1 elk, 2 deer, and 1 mountain goat*. Designated hunters are allowed

only 1 designated hunt at a time. It shall be unlawful for a hunter to hunt more than one designated hunt at a time.

GAME CARCASS TAGS & REPORTING FORM TAGS TO BE RETURNED

Successful hunters must immediately remove from the carcass tag the designated notches corresponding to the month and day of the kill. Reporting form tags, with the harvest report filled in by the hunter, and the date of the kill notched out must be returned to the Natural Resources Department main office before another tag will be issued. All reporting form tags, whether an animal was bagged or not, must be returned within 30 days after the expiration date of the tag or by March 31st of the Hunting Year, whichever is earlier. Failure to return tags is subject to a fine of not less than \$50 and will jeopardize the ability of the permittee to obtain tags the following hunting season. A permittee who loses a tag will be relieved of a monetary penalty, if they timely file an affidavit of tag loss, including a harvest report, prior to March 31st of the Hunting Year. Failure to report a lost tag in a timely manner will result in withholding further issuance of tags to the permittee until all applicable fines are paid and harvest reports are filed. LNR Wildlife Program will accept photos of tags properly notched and the harvested animal as a harvest report. Send these to 360-410-1783 or EmilyCW@lummi-nsn.gov.

TRANSPORTING BIG GAME A valid Lummi Tribal regular big game hunting carcass tag, with the date of the kill notched out, must be attached to the animal prior to and during transport. The head of the animal should accompany the carcass during transportation.

CARCASS DISPOSAL It is the responsibility of the hunter to ensure a harvested big game carcass is disposed of in a manner that is sanitary and out of view of the general public. If a tribal member needs assistance with proper carcass disposal, please contact the LNR Wildlife Program. Disposal should occur away from public roads, trails, and waterways.

HUNTERS UNDER AGE 18 Persons under the age of 12 may accompany a hunter but are not allowed to use a weapon of any kind. Persons 12 to 17 years of age must be accompanied by an adult 18 years or older while hunting. **All hunters under the age of 18 must provide proof of successful completion of an approved hunters / firearm safety course prior to obtaining a hunting permit or tags.**
